

KDPC

Antifoam K

305 Silicon Emulsion (FG)

**FOR THE REDUCTION OF
FOAMING IN WATER AND
THE ENHANCEMENT OF
PERFORMANCE OF
FRUIT WAXES**

5L

AN AUSTRALIAN OWNED COMPANY
KD Plant Care Pty Ltd, 10 Abbott St, Fairfield VIC 3078 Ph 03 9497 5247

**HOW TO USE**

SITUATION		RATE
In Wax	Anti-foam K will improve fruit finish and shine. Fruit will flow more smoothly over grading and packing lines as tackiness is reduced and drying enhanced. Where high rates of wax are required for extra shine, foaming / frothing of wax can occur and will be eliminated by the addition of Anti-foam K.	Citrus Wax 5ml / 1L Apple Wax 3ml / 1L
In Water	Add Anti-foam K at the suggested rate first. If insufficient, continue adding slowly until foaming stops. Allow 1-2 minutes for Anti-foam K to activate before adding more.	15ml / 25ml / 100L

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS

KDPC Anti-foam K is a 30% active silicone emulsion. It is a food grade product specifically formulated as an anti-foam for aqueous and non-aqueous applications, effective in a variety of systems.

STORAGE

Store away from oxidising agents. Store away from heat and always store in the closed, original container in a well ventilated area, as cool as possible.

SAFETY DIRECTIONS

Wear rubber gloves, cotton overalls and goggles or face shield. Wash hands with soap and water after use. Do not eat, drink or smoke while handling this product. After each day's use, wash gloves, clothing and goggles or face shield.

SPILLS OR LEAKS

Spilled product is very slippery. Contain with inert material such as sand or earth, then shovel up and remove for disposal, in accordance with Local, State or Territory government regulations.

FIRST AID INSTRUCTIONS

In case of contact with eyes, rinse immediately and irrigate with running water for at least 15 minutes. Seek medical advice. If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 11 26.

SAFETY DATA SHEET

For further information refer to Safety Data Sheet (SDS), which is available from the supplier.
