AN AUSTRALIAN OWNED COMPANY

KD Plant Care Pty Ltd, 10 Abbott St, Fairfield VIC 3078 Ph 03 9497 5247

DIRECTIONS FOR USE
Restraints
DO NOT APPLY TO METAL SURFACES
DO NOT spray plants in glasshouses. DO NOT apply to vegetation and surfaces when the surface is wet or during rainfall.

CROP / SITUATION	CRITICAL COMMENTS
Trees - including Citrus, Pome & Stone	Thoroughly wet trunk and lower limbs with spray prior to flowering in spring. DO NOT spray foliage.
Vines - including Grapes, Kiwifruit & Berries	Thoroughly wet trunk and infested canes prior to expansion of the first new leaves. DO NOT spray foliage.
Surfaces such as Fences, Pots, Benches & Gardens Furniture	Thoroughly wet the surfaces to be protected. ENSURE surfaces are thoroughly dry before using for packing or handling of fruit or vegetables. DO NOT apply to metal surfaces.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION

WITHHOLDING PERIOD: DO NOT PICK EDIBLE PLANTS FOR 1 DAY AFTER SPRAYING.

GENERAL INSTRUCTIONS
KDPC Escar-go contains a buffered form of copper silicate. It is NOT toxic to dogs, cats, birds, ants and bees. The residue left after the solvent evaporates becomes insoluble and effectively protects plants and structures for months.
KDPC Escar-go forms a repellent that snails will avoid.
It can be applied onto soil to protect plants and tree trunks to prevent snails from entering the canopy.
KDPC Escar-go can be applied anytime but is best applied before snails and slugs are active.
KDPC Escar-go is best applied when the surface is dry, except when applying to soil, where it can be applied to damp soil. Store in a cool dry place.

CROP SAFETY
DO NOT spray plant foliage such as leaves, shoots and buds.

PRECAUTIONS Re-entry (Re-handling)
Do not allow entry into treated areas or do not re-handle treated surfaces until the spray has dried. When prior re-entry or re-handling is necessary, wear chemical resistant gloves. Clothing must be laundered after each days use.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND THE ENVIRONMENT
Do not contaminate streams, rivers or waterways with the chemical or used container.

STORAGE AND DISPOSAL
Store in the closed, original container in a dry, cool, well ventilated area out of direct sunlight.
Keep out of reach of children. Triple or preferably pressure rinse containers before disposal. Dispose of rinsing in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots.
If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture empty containers in a local authority landfill. If no landfill is available, bury the containers below 500mm in a disposal pit. Empty containers and product should not be burnt.

SAFETY DIRECTIONS
May irritate the eyes and skin. Avoid contact with eyes and skin.
When opening the container and using the product, wear elbow length PVC gloves and face shield or goggles. Wash hands after use. After each days use, wash gloves and face shield or goggles.

FIRST AID
If poisoning occurs, contact a doctor or Poisons Information Centre, Phone 131 126.

SAFETY DATA SHEET (SDS)
Additional information is listed in the SDS, which is available from the supplier.
